Dear Patient,

With mixed emotions, I wish to inform you that I will be closing my practice at the Tilbury District Family Team, due to personal reasons. It has been my privilege to be part of your healthcare journey.

It is advisable to find a new physician for future care as soon as possible. I will be sending out enough prescription refills for 6 months as these are requested by your pharmacy, to ensure continuity of care. Please check your prescriptions and ensure that your pharmacy faxes the refill requests. I will continue to provide care both through in person and virtually till October 30, 2021.

I recognize that changing physicians can be stressful, but I encourage you to seek continuity of care by contacting Health Care Connect at 1-800-445-1822, for information on other family physicians in the area.

All medical records will be held at Tilbury District Family Health Team. These can be transferred to your new primary care physician on request. Please send your request for transfer of records to TDFHT.

TDFHT will be supporting the efforts towards recruiting another physician. Any information on successful recruitment will be posted on their website.

I wish you all the best and a healthy life.

Sincerely,
